COUNTRY Italy/Yugoslavia WTELLOFAX II 25X1X DATE: SUBJECT Radio Equipment Sales to Agenzia 11 Triestina Informazioni DIST. mber 1947 X Se PAGES 25X1X The Milan office of the Servizio Intelligenza Aeronautica (SIA) and informed in April 1947 that the S.A.F.A.R. (Societa' Anonima Fabbricazic Appareochi Radiofonici), via Bassini 15, Milan, was manufacturing a radio t Model RT 1000, of the same type as the one used by the Italian A . Force. This set was reportedly to be sold to the Yugoslav Government. The Milan Air Force Command on 23 May wrote a letter to the S.A. A.R. cau-2. tioning the firm against manufacture and sale to a foreign Gover ment of a set designed for the Italian Armed Forces. The firm acknowledge eccipt of the letter on 26 May, replying that the set had already been con 1 med, but that, substantial modifications had been made in it to make it be sically different from the Army set. An investigation made locally showed that on 26 May the S.A.F.A.i. had consigned fourteen cases weighing a total of 1,988 kilograms to Angelo Crespi Transport Co. of the Societa' Triestina Autotrasporti, Via Faro for delivery to the Agenzia Triestina Informazioni (ATI), success Tanjug News Agency in Trieste. The investigation showed that the transaction had been carried (for the ATT by the Adria-Impex Firm of Trieste and, it was revealed afte uch reticence on the part of the S.A.F.A.R. officials in answering que ons, that negotiations for them were carried out by a certain Rizzani. Rizzani is reportedly a former Italian Navy Intelligence (SIS) c .cer who has worked with Comendante Dessy. Rizzani was not available for terview as he is at present in New York making purchases for the S.A.F.A S.A.F.A.R. officials were very uncooperative throughout the investigation and claimed their rights to free trading. They also claimed the ubstantial modifications had been made in the sets, changing them to a 1 KW wer. In making this claim they divulged the fact that the sale, believed involve only one set, had been a question of two sets instead. $c_{ONFIDENTIAL}$ Document No.c.
